**HEADING: GENERAL**

**SUBJECT: OPERATING PARTNERSHIP AGREEMENT SUFFIX CHANGE**

Changes in FHWA's Fiscal Management Information System (FMIS), have made it now necessary to change the Suffix Codes we (ADOT and FHWA) have been using to denote and delineate the three levels of FHWA oversight of Federal-aid projects.

The three different categories under the Operating Partnership Agreement that were previously used are listed as follows:

- Category A - Full FHWA Administration
- Category B - Partial FHWA Administration
- Category P - Full ADOT Administration

Effective immediately the following new Suffix Codes should be used to delineate and denote the level of FHWA Oversight for Federal-aid projects:

- Category A - Limited FHWA Administration (formally P)
- Category B - Partial FHWA Administration
- Category N – Full FHWA Administration (formally A)
- Category X – Full FHWA Administration for projects not located on the National Highway System

Remember, the Operating Partnership Agreement and these changes only apply to Federal-aid projects.
