ENGINEER'S APPROVAL

I, J. J. Hill, hereby certify that I am a registered engineer in the State of Arizona, employed by the Arizona Highway Department to make the survey of the location of the highway shown on this map; that the survey was made by me or under my direct supervision; that the map is a true and correct representation of said survey; that the monuments shown thereon were found or established as described; and that all dimensions and other data are correctly shown. I further certify that I am familiar with the rules and regulations of the Arizona Highway Department governing the location of highways and that the highway shown on this map has been located in accordance therewith.

Dated: 11-14-58

J. J. Hill, Jr.
State Highway Engineer

APPLICANT'S CERTIFICATE

This is to certify that I, J. J. Hill (title), am authorized by the Arizona Highway Department, the applicant mentioned in the foregoing application, to make said application; that I have read the said application and know the contents thereof; that the statements therein contained are true to the best of my knowledge and belief; that the said Department is a corporation organized and existing under the laws of the State of Arizona; that the said Department has the power and authority to construct, maintain and operate the highway mentioned in said application; that the said Department has the power and authority to grant the rights and privileges applied for; and that I am duly authorized by the said Department to sign and file said application on its behalf.

Dated: 11-14-58

J. J. Hill, Jr.
State Highway Engineer
