ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

August 9 – 10, 2023

Desert Willow Conference Center | 4340 E Cotton Center Blvd | Phoenix, AZ 85040

Focus Area II: Public Emergency Management & Traffic Safety Education

Focus Area II: Presenter/Facilitator

Dcn. Antonio Hernandez

Community Integration Officer

ADHS, Division of Policy & Intergovernmental Affairs

August 2023

Objective:

Participants will be introduced to ***Public Health Community Preparedness Methods*** - and identify at least two strategies to enhance partnership engagement with public health partners in order to support Tribal Transportation programs, goals, and objectives.

Goal:

By the end of this session participants will enhance program partnerships:

1. Identify public health **collaboration opportunity**

2. List two **strategies for engagement**

Agenda:

Four modules: Education and facilitated discussion
- Module 1: Introductions
- Module 2: Methods overview
- Module 3: Strategies and resources
- Module 4: Recap objective and goals

Module 1: Introductions

1. Introduce yourself, your program and share a health/safety goal that could use some support

2. Network into common goal groups (tables/seating)

Module 1: Introductions

3. Public Health Introduction: *Community Preparedness*
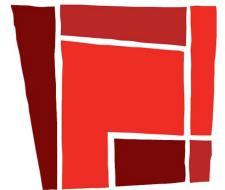

Role: **Public Health Partners**

- Development (services)
- Awareness (adversities)
- Identify (at-risk)
- Promote (awareness)
- Engage (resilience)
- Plan (disruption needs)

ADHS

Function: **Public Health Partners**

1. Determine Health Risks
2. Strengthen Partnerships
3. Coordinate Partners
4. Engage Joint-Responsibilities

ADHS

Module 1: Introductions

Share more about your program:

4. **Self Assessment:** Adversities

Threats & Emergency Operation Connections?
- National
- Statewide
- Local

Module 1: Introductions

Share more about your program:

4. **Self Assessment:** At-Risk

Who?

- Data/Seasons/Forecast
- Situational awareness/Monitoring
- Partners involved/Notification

Module 1: Introductions

Share more about your program:

5. **Engage:** Resilience

Who?

- …depends on you
- …helps you
- …is missing from your network

Module 2: Methods overview

1. Public Health Emergency Preparedness Methods

COMMUNITY PREPAREDNESS:

The ability of communities to address public health needs.

Domain: Community Resilience
Foundation: Access to health opportunity in the community context
Alignment: AZHIP Pandemic Response and Recovery (Strategic Plan)

ADHS

Module 2: Overview

1. Public Health Emergency Preparedness Methods

- Protect (who?)
- How do you know they are at risk and if they are getting better or worse? (data? - tools?)
- Vision Needs (what's missing?)

Module 2: Overview

1. Public Health Emergency Preparedness Methods

- Build a community around data (common understanding)
- Who's missing?

Module 2: Overview

1. Public Health Emergency Preparedness Methods

- Common goal coordination
- Synchronizing joint-responsibilities
- How, where, and when? - Plan?

Module 2: Overview

1. Public Health Emergency Preparedness Methods

- Outreach on joint-responsibilities
- Educate and test on the plan (how and when?)

Module 3: Strategies and resources

1. Strategies for engagement with public health partners

- Networks (access)
- Project partners (engagement)
- Events and activities (opportunity)
- Support (liaison)
