

KAYENTA AIRPORT
KAYENTA, ARIZONA

No.	Revision	Date	By

Project No: 045702
Date: 11,18,05
File Name: 5702506

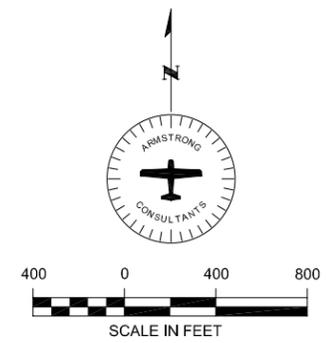

Drawn: RF
Checked: JZP
Approved: DAC

ON AIRPORT
LAND USE
(E) (F)

Zoning Ordinances Currently in Effect
Compatible land use and height restriction zoning in the process of being adopted.

Notice of Proposed Construction
All Proposed non-AIP construction on airport property, regardless of height or depiction on the approved ALP, must be submitted to FAA using Form 7460-1, *Notice of Proposed Construction or Alteration*, or Form 7480-1, *Notice of Landing Area Proposal*, as appropriate.

Noise Contour
There is no existing 65 DNL noise contour. The noise contour shown is the future 2025 65 dnl.
