Tammy, here is the email I received from Jared at the FAA. No approval or stamp needed.

Let me know if you need anything further?

Jeremy,

I just received the "as built" ALP. It has been attached to the previous ALP. Thank you for the letter explaining all the changes. That's perfect.

Have a good afternoon Jeremy.

Jared

Jeremy,

Thank you for the heads up. I'll keep an eye out for it. Just FYI, we don't approve the ALP. We just attach it to the existing approved ALP that we have on file.

Jared
