## **A1.ADDENDUM No. 1 – FAA APPROVAL AIRPORT LAYOUT PLAN DRAWINGS**

### **A1.1 INTRODUCTION**

Review comments from the FAA addressing the Final Draft of the Master Plan Update and the Airport Layout Plan (ALP) drawing set were received on December 10, 2015. No comments were received from the Arizona Department of Transportation.

The FAA did not have any comments on the Master Plan Narrative.

The FAA had 16 comments that suggested revisions to the ALP drawing set which were addressed by the Master Plan Team (Airport Management and Master Plan Consultant).

### **A1.2 ADDENDUM HISTORY**

**Addendum No. 1** revised the following in the Master Plan Update Report:

- Cover and Title Page – added Addendum No. 1 and date of addendum
- Revised Table of Contents – included Addendum No. 1, deleted “Draft #” from Chapter Titles, Added FAA ALP Approval Letter to Appendix and approved ALP drawings, and dated footer May 2016
- Chapters 1 – 7 removed “Draft # and Draft Date” from footer; dated all footers May 2016
- Attachment – Added May 20, 2016 FAA Airport Layout Plan Approval Letter and 11” x 17” set of FAA approved drawings

Full size drawings are available on the CDs provided to the FAA, ADOT Aeronautics and the Avi Suquilla Airport.

**Addendum No. 1** does not update any of the Master Plan Chapters to current (2106) FAA criteria. **The Chapters were last updated in February and March 2014.**

The Airport Layout Plans that the FAA reviewed were current to April 2015 FAA criteria when submitted to the FAA for approval. The approved ALP drawings are current for FAA criteria in effect in December 2015.

**Addendum #1** was issued on June 6, 2016 following receipt of the FAA ALP approval letter and as part of the Master Plan Update closeout process where one printed hard copy of the final Master Plan is provided to the FAA along with electronic (PDF) files on CDs.

ADOT Aeronautic will receive electronic files and the Sponsor both hard copies for the Airport files, CRIT Library and CRIT Planning.
