REGIONAL AREA ROAD FUND (RARF) THROUGH APRIL 30, 2016

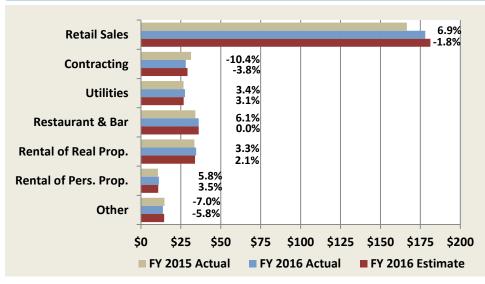

Highlights

- Retail sales, the largest revenue category of RARF, grew
 6.9 percent in the first ten months of FY 2016 when compared to the same period of the prior year.
- Meanwhile, the contracting category of RARF decreased 10.4 percent in the first ten months of FY 2016 when compared to the same period of the prior year.
- Some of the year-over-year changes in the retail sales and contracting categories of RARF can be explained by legislation taking effect in February 2015 that moved taxes collected on certain contracting activities from the contracting revenue category to the retail revenue category. Since these changes were anticipated, retail sales revenues are tracking only 1.8 below estimate and contracting revenues are 3.8 percent below the estimate.
