RE: 2016-2020 TIP AMENDMENT #5

The following are Amendments to our 2016-2020 TIP that were approved by the TAC at our May 19th meeting:

NOG 14-01 (Nogales Citywide Sign Replacement Project): This project was originally programmed in FY15 for \$52,585. Last March, our TAC approved an additional \$70,000 for the project (Project Total: \$122,585). This project was scheduled to go to procurement last year. However, delays in obtaining a Revised Eligibility Letter delayed the project. On April 27, 2016, a Revised Eligibility Letter and Cost Estimate were received from ADOT. The new estimated cost for the project is \$119,517. **If approved, this project will be programmed in FY16 in the amount of \$119,517 Federal. No local match is required.**

CLF16-01 (Zorrilla Street Bridge, Structure #9633): This project was original programmed in FY16 for \$132,085 Federal. The project is being funded with Off-System Bridge funds. The ADOT Project Manager has informed us that design estimate has increased to \$250,000. **If approved, this project will be programmed in FY16 in the amount of \$235,750 Federal and \$14,250 Local Match. Project Total will be \$250,000.**
