Dear Jason,

The City of Show Low is requesting a modification of NACOG's FY2018 – 2023 Transportation Improvement Program (TIP) to initiate a new project utilizing STPG funds in FY 2021 for the SR-260 and Show Low Lake Road Intersection Improvements. This project is located in the City of Show Low in Navajo County and the scope of work includes realignment of the intersection, installation of new right turn lanes and the installation of a new traffic signal at the intersection. The allocation of these funds is to support an ADOT Improvement project at the intersection by providing supplemental funding from the region. The Navajo County Sub region has agreed with this allocation of the STP funds.
