RE: FY 2004-2006 STIP, Amendment Number 4

Dear Mr. Hollis:

As the Governor's designee, I approve the action taken by the Western Arizona Council of Governments Transportation Advisory Committee on February 18, 2004, to amend the WACOG FY 2004-2008 Transportation Improvement Program (TIP). I cordially request Amendment Number 4 of the FY 2004-2006 State Transportation Improvement Program (STIP) to include the following amendments. The first amendment is the addition of a signal at Hwy 95 and Airport Drive in Parker. The second amendment will cover the reduced amount required for the signalization at Bluewater and HWY 95, and a increase of \$39,000 to the London Bridge Rd project.

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are exempt from the requirements that a conformity determination be performed. The funding for these projects is already within the approved STIP Financial Plan and therefore does not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,
