Arizona FY 2004-2006
Statewide Transportation Program (STIP)
Approval of Amendment No. 22

Mr. Victor M. Mendez
Director, Arizona Department of Transportation, (100A)
Phoenix, Arizona 85007

Dear Mr. Mendez:

We have reviewed your September 16, 2004 request to amend the FY 2004-2006 Statewide Transportation Improvement Program (STIP) to include the following Yuma Metropolitan Planning Organization (YMPO) project: Del Sol Hotel (\$500,000 in Federal funds).

We accept this Amendment in accordance with 23 CFR 450 and find that this STIP amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are either exempt or are regarded as minor project revisions that do not require conformity determinations [40 CFR §93.126].

This letter constitutes approval, and inclusion of Amendment 22 into the Arizona FY 2004-2006 Statewide Transportation Improvement Program (STIP). Our approval is based upon the Arizona Department of Transportation's assurance that the funding for the project in this amendment will not adversely impact the STIP Financial Plan.

Sincerely,

Edward S. Stillings
Engineering Development Coordinator

Arizona Department of Transportation

RE: FY 2004-2006 STIP, Amendment Number 22

Bob
Dear Mr. ~~Hollis~~:

As the Governor's designee, I approve the action taken by the Yuma Metropolitan Planning Organization (YMPO) Regional Council on August 26, 2004, to amend the YMPO FY 2004-2007 Transportation Improvement Program (TIP). I cordially request Amendment Number 22 of the FY 2004-2006 State Transportation Improvement Program (STIP) to include the projects listed on the attached sheets.

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are exempt from the requirements that a conformity determination be performed. The funding for these projects is already within the approved STIP Financial Plan and therefore does not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,

Victor M. Mendez
