RE: FY 2006-2008 STIP, Amendment Number 5

Dear Mr. Hollis:

As the Governor's designee, I approve the action taken by the Northern Arizona Council of Governments (NACOG) Regional Council to amend the NACOG FY 2006-2008 Transportation Improvement Program (TIP). I cordially request Amendment Number 5 of the FY 2006-2008 State Transportation Improvement Program (STIP) to include two Round 13 local Transportation Enhancement projects listed on the attached sheets.

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are exempt from the requirements that a conformity determination be performed. The funding for these projects is already within the approved STIP Financial Plan and therefore does not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,
