RE: FY 2007-2011 STIP Amendment Number 21

Dear Mr. Rogers:

As the Governor's designee, I approve the request brought forth by the Public Transportation Division on November 5, 2007, to amend the FY 2007 – 2011 State Transportation Improvement Program (STIP). I cordially request Amendment Number 21 of the FY 2007 – 2011 State Transportation Improvement Program (STIP) to include the projects listed on the attached sheet.

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with 23 USC 134 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are exempt from the requirements that a conformity determination be performed. The funding for these projects is already within the approved STIP Financial Plan and therefore does not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,
