Approval of Amendments No. 6

Mr. Victor M. Mendez, Director  
Arizona Department of Transportation (100A)  
Phoenix, Arizona 85007

Dear Mr. Mendez:

We have reviewed your February 13, 2008 request to amend the FY 2008-2011 Statewide Transportation Improvement Program (STIP) to include the Transportation enhancement Program (TE) projects on the enclosed table. These changes to the Western Arizona Council of Government (WACOG) TIP were approved by the WACOG Executive Board on December 6, 2008.

We accept this Amendment in accordance with 23 CFR 450 and find that this STIP amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are either exempt or are regarded as minor project revisions that do not require conformity determinations [40 CFR §93.126].

This letter constitutes approval, and inclusion of Amendment 6 into the Arizona FY 2008-2011 Statewide Transportation Improvement Program (STIP). Our approval is based upon the Arizona Department of Transportation's assurance that the funding for the project in this amendment will not adversely impact the STIP Financial Plan.

Sincerely,

RE: FY 2008-2012 STIP, Amendment Number 6

Dear Mr. Hollis:

As the Governor's designee, I approve the action taken by the Western Arizona Council of Government (WACOG) Executive Board to amend the WACOG FY 2008-2012 Transportation Enhancement Program (TE). I cordially request Amendment Number 6 of the FY 2008-2012 State Transportation Improvement Program (STIP) to add the Transportation Enhancement Program Table

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are exempt from the requirements that a conformity determination be performed. The funding for these projects is already within the approved STIP Financial Plan and therefore does not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,

Victor M. Mendez
