RE: FY 2008-2011 STIP, Amendment Number 19

Dear Mr. Hollis:

As the Governor's designee, I cordially request Amendment Number 19 of the FY 2008-2011 State Transportation Improvement Program (STIP) to include the attached list of projects.

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are exempt from the requirements that a conformity determination be performed. The funding for these projects is already within the approved STIP Financial Plan and therefore does not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,

Victor M. Mendez
