Arizona Department of Transportation, (100A)  
Phoenix, Arizona 85007

Dear Mr. Halikowski:

We have reviewed Ms. Toth's March 19, 2010 request to amend the FY 2010-2013 Statewide Transportation Improvement Program (STIP) to include the enclosed table of projects approved by the State Transportation Board on March 19, 2010.

We accept this Amendment in accordance with 23 CFR 450 and find that this STIP amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are either exempt or are regarded as minor project revisions that do not require conformity determinations [40 CFR §93.126].
