Dear Ms. Toth:

We have reviewed your July 22, 2010 request to amend the FY 2010-2013 Statewide Transportation Improvement Program (STIP) to include the enclosed table of projects approved by the Central Arizona Association of Governments (CAAG) Regional Council on June 25, 2010. This action added the Apache Junction Ironwood Drive ARRA Bid Savings funded project to the CAAG Transportation Improvement Program at a cost of \$689,275.

We accept this Amendment in accordance with 23 CFR 450 and find that this STIP amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are either exempt or are regarded as minor project revisions that do not require conformity determination [40 CFR §93.126].

This letter constitutes approval and inclusion of Amendment 57 into the Arizona FY 2010-2013 Statewide Transportation Improvement Program (STIP). Our approval is based upon the Arizona Department of Transportation's assurance that the funding for the project in this amendment will not adversely impact the STIP Financial Plan.
