RE: FY 2011-2014 STIP, Amendment Number 15

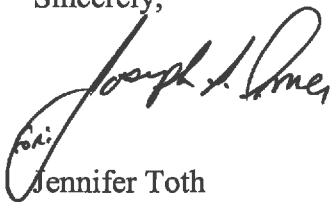

Dear Ms. Petty:

As the Governor's designee, I cordially request Amendment Number 15 of the FY 2011-2014 State Transportation Improvement Program (STIP), to include the attached list of new projects approved by the State Transportation Board on June 17, 2011.

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program, by this amendment, are either exempt or are regarded as minor project revisions that do not require conformity determination [40 CFR §93.126]. The funding for the projects in this amendment will not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,

Jennifer Toth
