Approval of Amendment No. 28
HPM-AZ

Mr. Scott Omer, Assistant Director
Multimodal Planning Division
Arizona Department of Transportation, (300B)
Phoenix, Arizona 85007

Dear Mr. Omer:

We have reviewed your September 26, 2011 request to amend the FY 2011-2014 Statewide Transportation Improvement Program (STIP) to include the Pima Association of Governments (PAG) FY 2012-2016 Transportation Improvement Program and Amendment #2 adopted by the PAG Regional Council on June 9, 2011 and September 22, 2011. The list of projects from Amendment #2 are enclosed. Since the current approved STIP only includes projects through FY14, this approval will only consider those projects listed in the FY12-14 PAG TIP.

We accept this Amendment in accordance with 23 CFR 450 and find that this STIP amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment required a new conformity determination [40 CFR §93.126]. This conformity finding was issued August 12, 2011.

This letter constitutes approval and inclusion of Amendment 28 into the Arizona FY 2011-2014 Statewide Transportation Improvement Program (STIP). Our approval is based upon the Arizona Department of Transportation's assurance that the funding for the projects in this amendment will not adversely impact the STIP Financial Plan. Please note that Federal Transit Administration approved this amendment under separate letter dated September 30, 2011.

Sincerely,

FOR Karla S. Petty

RE: FY 2011-2014 STIP, Amendment Number 28

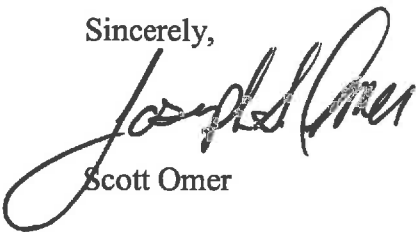

Dear Ms. Petty and Mr. Rogers:

As the Governor's designee, I approve the action taken by the Pima Association of Governments (PAG) Regional Council on September 22, 2011 to amend their FY 2012-2016 Transportation Improvement Program (TIP). I cordially request Amendment Number 28 of the State Transportation Improvement Program (STIP) to include FY 2012-2014 of the FY 2012-2016 PAG TIP, as amended through amendment #2 (see attached).

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program, by this amendment, are either exempt or are regarded as minor project revisions that do not require conformity determination [40 CFR §93.126]. The funding for the projects in this amendment will not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,

Scott Omer
