Mr. Scott Omer, Assistant Director

Arizona Department of Transportation, (300B)
Phoenix, Arizona 85007

Dear Mr. Omer:

We have reviewed your October 26, 2011 request to amend the FY 2011-2014 Statewide Transportation Improvement Program (STIP) to include the enclosed list of projects adopted by the SouthEastern Arizona Governments Organizations Executive Board on October 21, 2011 as Transportation Improvement Program Amendment #1. Since the current approved STIP only covers FY 2011-2014, this action will only consider projects for FY 2012-2014.

We accept this Amendment in accordance with 23 CFR 450 and find that this STIP amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are either exempt or are regarded as minor project revisions that do not require conformity determination [40 CFR §93.126].

This letter constitutes approval and inclusion of Amendment 32 into the Arizona FY 2011-2014 Statewide Transportation Improvement Program (STIP). Our approval is based upon the Arizona Department of Transportation's assurance that the funding for the projects in this amendment will not adversely impact the STIP Financial Plan.

Sincerely,

RE: FY 2011-2014 STIP, Amendment Number 32

Dear Ms. Petty:

As the Governor's designee, I approve the action taken by the Southeastern Arizona Governments Organization (SEAGO) Executive Board on October 21, 2011 to amend their FY 2012-2016 Transportation Improvement Program (TIP). I cordially request Amendment Number 32 of the FY 2011-2014 State Transportation Improvement Program (STIP). This amendment updates the years 2012-2014 of the STIP and includes only highway projects in the SEAGO region.

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). All of the projects on the table are either exempt or are regarded as minor project revisions that do not require conformity determination [40 CFR §93.126]. The funding for the projects in this amendment will not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,

Re: Request to Amend the 2012-2016 SEAGO TIP

Dear Mark:

Attached is a copy of Amendment #1 to the 2012-2016 SouthEastern Arizona Governments Organization's Transportation Improvement Program (TIP). SEAGO is requesting that the 2012-2016 TIP be amended to include the information outlined in that attached memorandum.

SEAGO's Administrative Council and Executive Board approved the 2012 TIP on the following dates:

MEETING	DATE	LOCATION
SEAGO TAC	September 15, 2011	TAC Meeting - Benson
Administrative Council	October 7, 2011	SEAGO - Advisory Council
Executive Board	October 21, 2011	SEAGO - Board of Directors

The SEAGO TAC agendas and meeting minutes are located on the SEAGO Web page at www.seago.org/transportation. The TIP is a standard agenda item at all TAC meetings, and is also posted on the web page.

If you have any questions, please feel free to contact me at 520-432-5301 x 202, on my cellular phone at 520-678-3220, or by e-mail, at rheiss@seago.org.

Sincerely,

Randy Heiss
SEAGO Executive Director

2. Because the Davis Road HPP and MP 13 (STP) projects were unable to obligate in 2011 as previously programmed, the design and ROW acquisition phases were moved to 2012. The construction funding for the projects was reprogrammed to 2014.
3. SEAGO then learned that the Davis Road HPP (TIP Year 2012), MP 13 (STP; also TIP Year 2012), and MP 5 (STP; TIP Year 2015) design were not eligible for reimbursement. Therefore, the design funding for those projects was moved into ROW acquisition. If there is leftover funding from the ROW acquisition, the excess funds will be moved into construction.
4. The Douglas SRTS project was unable to obligate in 2011 as previously programmed, so the funding was moved into 2013. The funding was also split into design and construction phases with construction now programmed in 2014.
5. The Willcox Fort Grant Road Transportation Enhancement project was authorized and was moved to the 'funding obligated in 2011' section.
6. The design and construction phases for most of the remaining TE projects were identified and broken out into separate phases.
7. The Sierra Vista Path to Higher Education project design phase has obligated and that phase was moved to the 'funding obligated in 2011' section.
8. The Bisbee Glass Sidewalk TE project design amount was increased to \$15,397 (vs. previous estimate of \$4,715, thereby reducing the amount available for construction to \$49,987 (previously \$60,669).
9. A project identification number has been assigned to each project.

On September 15, 2011, the SEAGO TAC made the following additional amendments to the TIP:

- Removed the San Carlos project from TIP year 2013 due to unresolved eligibility issues.
- Removed the Douglas 3rd Street project from TIP year 2014 at the City's request as it will now be locally funded.
- Removed the Santa Cruz County placeholder for Palo Verde Road from TIP year 2014 at Santa Cruz County's request as it will be resubmitted for STP funding (instead of HPP) with a revised project scope.

The above amendments to the TIP represent the 2012-2016 TIP Amendment No. 1 and are hereby submitted to you for your approval.
