Dear Mr. Omer:

We have reviewed your October 1, 2012 and November 1, 2012 requests to amend the FY 2011-2014 Statewide Transportation Improvement Program (STIP) to include the FY 2013-2014 portion of the FY 2013-2017 Transportation Improvement Program (TIP) adopted by the Pima Association of Governments (PAG) Regional Council on June 14, 2012. Your letters also request to amend the FY 2011-2014 STIP to include the enclosed TIP Amendment 1 adopted by the PAG Regional Council on September 27, 2012.

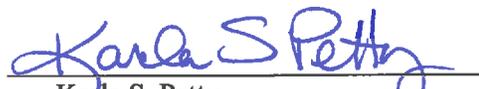

We accept this Amendment in accordance with 23 CFR 450 and find that this STIP amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by the new TIP received a Conformity Finding on July 24, 2012. The changes by Amendment 1 are either exempt or are regarded as minor project revisions that do not require conformity determination and the July 24, 2012 Conformity Finding remains valid [40 CFR §93.126].

This letter constitutes approval and inclusion of Amendment 85 into the Arizona FY 2011-2014 Statewide Transportation Improvement Program (STIP). Our approval is based upon the Arizona Department of Transportation's assurance that the funding for the projects in this amendment will not adversely impact the STIP Financial Plan. Please note that this letter constitutes approval of the amendment with the understanding that FTA funding on individual projects is subject to the grantees meeting the administrative and statutory requirements.

Sincerely yours,

Leslie T. Rogers
