RE: 2017-2021 TIP AMENDMENT #5

The following are Amendments to our 2017-2021 TIP that was approved by the TAC at our May 18th meeting:

GGH 12-04 – Graham County – (8th Avenue/Airport Road Intersection): This project uses HPP and HRRRP funding. The ADOT Project Manager requested that the design phase of the project be amended to reflect a change in total design costs from the \$550,000 currently programmed to \$440,000. At the request of the Project Manager, the design phase was programmed as follows: HPP - \$353,625 federal funds, \$21,375 County match and HRRP - \$65,000 federal funds, \$0 County match. The project manager requested that the savings in design be transferred to construction. Total HPP construction funding is now \$1,056,601 (\$996,375 federal funds, \$60,226 County match). The project will not be ready for construction until FY19. That change has also been reflected in the TIP.

CCH 14-04 - Cochise County – (SR191 to Central Highway DCR) – In March 2016, the SEAGO TAC approved the use of STP funds for Cochise County to address \$60,000 in additional PMDR fees. Cochise County has advised ADOT that Cochise County had too many concerns and questions about what taking these STP funds might do to future requirements for project schedules to be comfortable moving forward to their Board with a JPA Amendment. This project was listed on our Obligated in 2016 section of our TIP. It has been moved the Future Project Section of our TIP as a placeholder.

NOG 19-01 – City of Nogales (Valle Verde/Paseo Verde Paving Project) - This is a CMAQ project. Original design estimates did not include \$30,000 in PMDR fees. In addition, design estimates indicated a need for an additional \$20,000. ADOT approved an additional \$50,000 to be added to the project. The updated design costs were added to the TIP in the following manner:

Design: Federal - \$80,593 Local Match - \$4,871 Total - \$85,464

Design (PMDR Fee): Federal - \$28,290 Local Match - \$1,710 Total - \$30,000

Design Phase Total - Federal - \$108,883 Local Match - \$6,581 Total - \$115,464

SCC 12-03 – Santa Cruz County - (Rio Rico Drive and Pendleton Drive Intersection Improvements). The JPA for this project was amended on May 3, 2017. The ADOT project manager has requested that the SEAGO TIP be amended to match the JPA. As a result of the JPA the following amendments were made: Design was moved from FY17 to FY18. Right of Way costs of \$188,600 Federal HRRRP and \$11,400 Local was added to FY2018. Construction was moved from FY19 to FY20. The TIP was amended to reflect the new construction estimates of \$984,555 Federal HRRRP and \$50,445 Local.

SCC 12-12 – Santa Cruz County – (River Road & Pendleton Drive safety Improvements) The JPA for this project was amended on May 3, 2017. The ADOT project manager has requested that the SEAGO TIP be amended to match the JPA. Construction was moved from FY19 to FY18. The TIP was amended to reflect the new construction estimates of \$2,644,700 Federal HRRRP and \$159,865 Local.

The TIP changes discussed above have also been made to our 2018-2022 TIP.
