

**Phoenix Area Freeway Restrictions:**

**Project schedules subject to change due to inclement weather**

**1 POSTPONED:** Loop 101 WB closed between Seventh St and I-17 in north Phoenix for placement of temporary barrier and lane-stripe adjustments as part of new widening project. Loop 101 WB on-ramp at Cave Creek Rd also closed. Loop 101 WB ramps to I-17 NB and SB closed. Both I-17 ramps to Loop 101 WB will remain open. Loop 101 WB traffic can exit at Seventh St and detour along Beardsley frontage road. However, expect heavy traffic. To limit delays consider exiting ahead of closure and using alternate routes, including WB Bell Rd, Union Hills Dr or Deer Valley Rd. Drivers in southeast Valley should consider using Loop 202 WB and I-10 WB to I-17 NB. **10 p.m. Friday – 5 a.m. Monday (Feb. 18)**

Additional weekend freeway restriction information listed on ADOT's website: [azdot.gov](http://azdot.gov) – under ADOT News

**US 60 (Superstition Freeway) will have heavier weekend traffic at times in the Apache Junction and Gold Canyon areas while the Renaissance Festival is underway. Please allow extra travel time and be prepared for slow traffic. Use caution, especially near festival parking lot access points.**  
**Weekends through March 31 (including Presidents Day)**
