

**Phoenix Area Freeway Restrictions:**

- 1** I-10 WB closed between the I-17 “Split” interchange near Sky Harbor Airport and Seventh Ave for tunnel cleaning and maintenance. SR 51 SB ramp to I-10 WB closed. I-10 WB on-ramps at Sky Harbor Circle and Washington St restricted with access to SR 51 NB and Loop 202 EB only. **Loop 202 WB ramp to I-10 WB will be open but all traffic must exit at Seventh St and consider using detour routes. I-17 SB ramp to I-10 WB near Sky Harbor Airport closed.** Please allow extra travel time. I-10 WB traffic approaching the closure near the airport can detour on I-17 NB and reconnect with I-10 at the “Stack” interchange. **9 p.m. Friday – 9 a.m. Saturday (Dec. 9)**
- 2** I-10 EB closed between the I-17 “Stack” interchange and the Washington/Jefferson interchange near Sky Harbor Airport for tunnel cleaning and maintenance. **All I-17 ramps to I-10 EB at the Stack closed.** Please allow extra travel time and consider alternate routes. I-10 EB traffic can detour to I-17 SB starting at the Stack. **9 p.m. Saturday – 9 a.m. Sunday (Dec. 10)**
- 3** I-17 SB narrowed to two lanes near Seventh Ave (south of downtown Phoenix) for bridge repair work. **Seventh Ave closed in both directions at I-17.** I-17 traffic exiting at Seventh Ave will not be able to make left turns onto Seventh Ave. I-17 SB drivers please allow extra travel time or consider alternate routes, including I-10 EB in downtown area (note Saturday night’s closure of I-10 EB above). Alternate routes while Seventh Ave is closed include Seventh St or Central Ave. **9 p.m. Friday – 5 a.m. Monday (Dec. 11)**  
**Note:** I-17 SB will temporarily be narrowed to one lane Friday night for barrier set up and prior to the end of the weekend work for barrier shift. Please allow extra travel time.

Additional weekend freeway restriction information listed on ADOT’s website: [azdot.gov](http://azdot.gov) – under ADOT News

**Mogollon Rim/White Mountains Travel Advisory:**  
 Northbound State Route 87 narrowed to one lane near Slate Creek, approximately 25 miles south of Payson, for roadway repairs and slope stabilization. Allow extra travel time, especially on Friday afternoons, and consider alternate routes.
