Subject: Structure Detail Drawings SD 9.52 (5 Drawings)

Web Site: <http://www.azdot.gov/Highways/bridge/DetailDwg/TrafficStruct.asp>

New structure detail drawings, SD 9.52 Dynamic Message Sign, Tubular Frame, have been added to the Bridge Group web site under Traffic Structures for the support of the new Dynamic Message Sign (DMS) on Tubular Frame structure. The new DMS is a walk-in cabinet, and catwalks have been added for access at both ends.

The existing SD 9.50 & SD 9.51 structure detail drawings are still available for VMS applications. Message sign types and locations are as directed by Transportation Technology Group.
