State Engineer

BRIDGE BULLETIN 2011-2
Issue Date 7-18-2011

To: All Bridge Inspectors

From: Jean A. Nehme, Ph.D., P.E.
State Bridge Engineer

Subject: ADOT Bridge Inspection Guidelines

The [Bridge Inspection Guidelines](#) are posted on the ADOT Bridge Group website. These guidelines are intended to describe bridge inspection procedures that must be followed in Arizona, and to provide uniform interpretation of the various nationally available inspection and coding guides.

Please submit any comments or suggestions regarding these guidelines to Bridgeinfo@azdot.gov.
