INFORMATION BULLETIN NO. 09-15

TO: Consultant Engineering Firms
FROM: Statewide Project Management Section
SUBJECT: **ADOT RED-LINE AS-BUILT PROCEDURE AND GUIDELINES**

As results of process-improvement partnering with consultants and ADOT technical groups, the ADOT Red-Line and As-Built Procedure and Guidelines now are available online in the Statewide Project Management website:

<http://www.azdot.gov/Highways/SWProjMgmt/PDF/RedlinesAsbuilt.pdf>

A new ITD ENG policy regarding the As-Built Procedure is being developed and you will be advised when the policy has been completed.

Your cooperation is appreciated in implementing the up-to-date procedures and guidelines.

Should you have any questions or require any additional information regarding this bulletin, please contact Giuly Caceres, ADOT Senior Project Manager, at (602) 712-8654.

A handwritten signature in black ink, appearing to read "Vivien Lattibeaudiere", written over a horizontal line.

Vivien Lattibeaudiere, Ph.D.
