SUBJECT:

**REVISED CONSULTANT EVALUATION GUIDELINES** 

The Consultant Evaluation program for ECS contracts has been revised and will become effective for new contracts with a Notice to Proceed date after July 1, 2010. A series of training sessions have been implemented by ECS over the past few months to familiarize ADOT PMs and Consultants with program guidelines and how to complete evaluations in the electronic Contact Management System (eCMS).

Attached for your information is a copy of the guidelines for the program. Please review them carefully to familiarize yourself with changes to the process, which include how results of evaluations will be used, procedures and timelines for completing evaluations.

Any questions regarding this bulletin should be directed to the Engineering Consultants Section at (602) 712-7525.

# **Consultant Evaluation Instructions**

The ECS Contract Specialist will initiate the completion of consultant evaluation forms for contracts annually on their NTP anniversary date.

Since evaluations will be used as a factor in the consultant selection process, it is important for ADOT PMs, Resident Engineers or other applicable staff to complete evaluations in a timely manner.

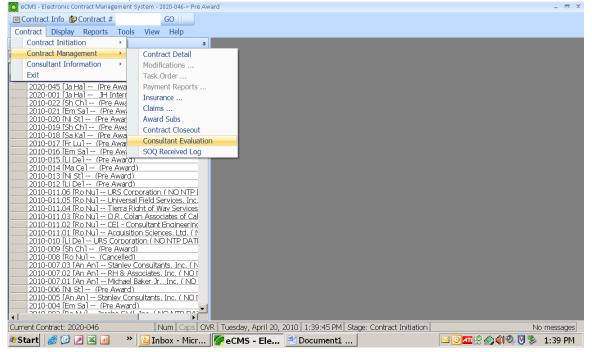

Please adhere to the following general guidelines in completing the consultant evaluation electronically in eCMS.

- 1. All consultant evaluations, annual, final or otherwise shall be initiated by the ECS Specialist. ADOT PMs, who wish to conduct a consultant evaluation outside of the normal annual or final cycle, should contact the ECS Specialist to initiate the evaluation process.
- 2. Section I (Items 1-4) of the evaluation form shall be completed by ECS staff in eCMS and forwarded to the ADOT PM through automatic email notification.
- 3. The ADOT PM shall confer with other ADOT Project Team members involved in the contract and complete Section II of the evaluation form (Items 5-11) in eCMS. The ADOT PM shall forward the fully completed evaluation to the consultant electronically through eCMS within 14 calendar days from the receipt of notification from the ECS Specialist.

## Review ECS Specialist's Evaluation

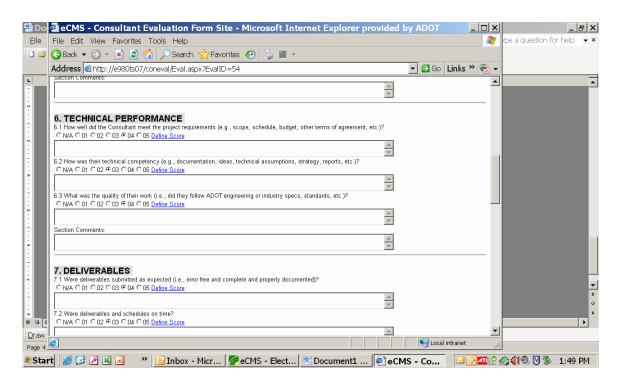

The ADOT PM shall confer with other ADOT Project Team members involved in the contract and complete Section II (Items 5-11) in eCMS.

General comments are highly recommended to support scores in each major performance category. Documentation and specific comments <u>must</u> be included to justify any performance factor receiving a score of 2 or less.

If the ADOT PM is a Supplemental Services (SS) consultant, the PM portion of the evaluation must be completed in eCMS by the SS consultant's Supervisor or Manager.

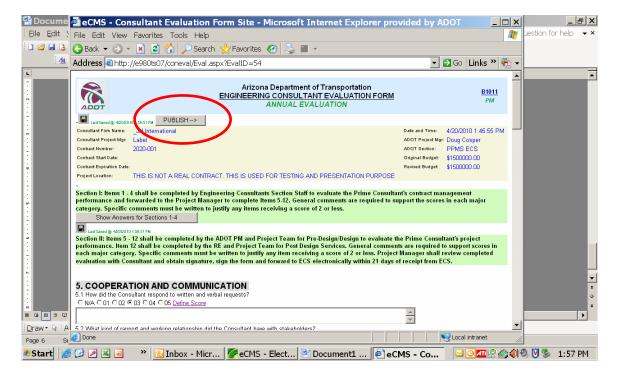

Complete Section II (Items 5-11)

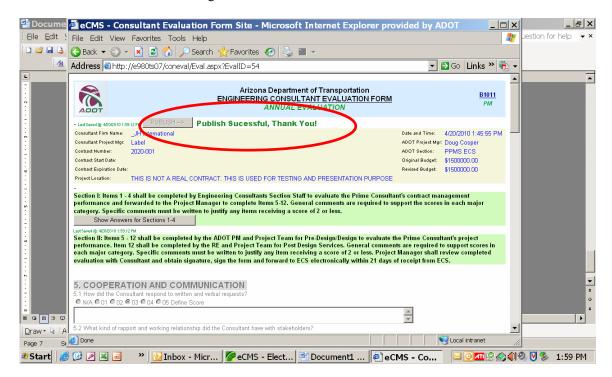

Section II, Item 12 (Post-Design) will be forwarded to the ADOT Resident Engineer (RE) by the ADOT PM for completion, as applicable. The ADOT RE shall confer with the ADOT PM and other ADOT project team members involved in the project and shall complete the Section II, Item 12 within 5 calendar days.

When totally completed, the ADOT PM shall discuss the evaluation with the consultant (telephonically or inperson) and "publish" it to the consultant through eCMS.

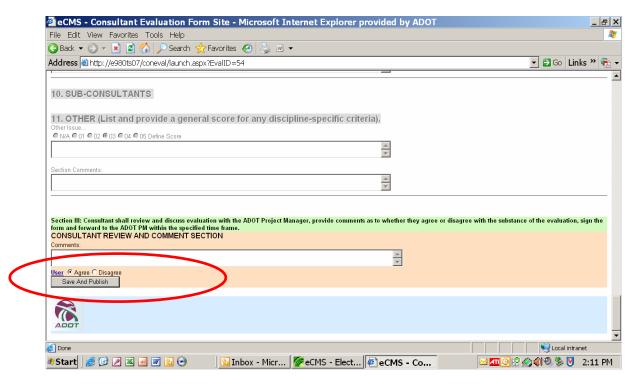

After the evaluation is published by the ADOT PM and sent to the consultant the ECS Specialist and the consultant will be notified through automatic email notification

ADOT PMs should encourage consultants to share the results of the subconsultant portion of the evaluation with their subconsultants.

The consultant shall complete Section III by indicating the firm's agreement or disagreement with the ratings, type comments and "publish" the evaluation back to ADOT through eCMS within 10 calendar days, with the goal of completing the entire evaluation process within 30 calendar days.

After the evaluation is published by the consultant and sent back to ADOT. The ADOT PM and the ECS Specialist will be notified through automatic email notification.

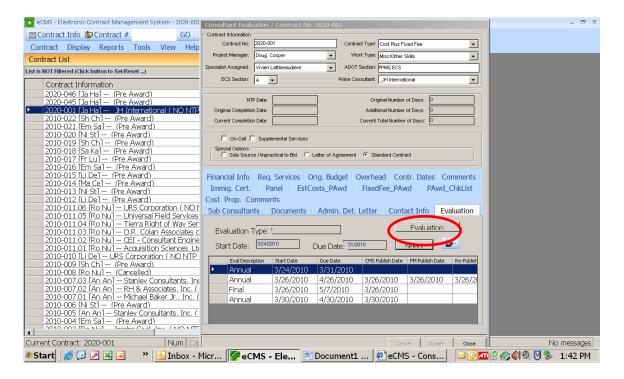

The ADOT PM, ECS and other applicable ADOT staff are encouraged to take appropriate steps to resolve performance issues with consultants, as they arise, in a timely manner, and to document these issues in the eCMS Evaluation tab for that particular contract. This information will be used as a means of documenting issues for future evaluation ratings.

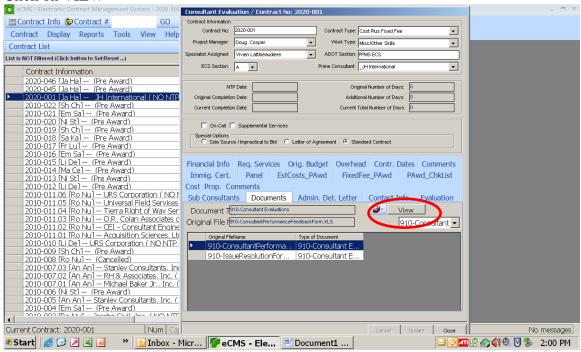

If performance issues arise, ADOT PMs and ECS Contract Managers should expeditiously inform consultants in writing that they are performing unsatisfactorily (using the **Issues Resolution form** located in eCMS) and provide them the opportunity to take corrective action to cure the deficiency before they are formally evaluated.

The following steps must be taken if there are performance issues with a consultant, which could potentially lead to an evaluation score of less than 3 (average):

The Issues Resolution form has **Informal** and **Formal** sections for use.

The Consultant Performance Feedback Form should be used to document positive performance and to be used to support scores of 3 to 5 if needed.
