(Supersedes Information Bulletin No. 10-07)

TO: ADOT Project Managers

FROM: Engineering Consultants Section (ECS)

SUBJECT: **REINSTITUTION OF DISADVANTAGED BUSINESS ENTERPRISES (DBE) GOALS
– ON-CALL CONTRACTS**

The Arizona Department of Transportation (ADOT) has resumed setting DBE goals on professional architectural and/or engineering consultant contracts. ADOT's triennial goal is **7.76%** to be achieved through **5.08%** race conscious (RC) and **2.68%** race-neutral (RN) means.

In order for ADOT to achieve the Department's DBE goal, ADOT Civil Rights Office (CRO), through the Engineering Consultants Section (ECS), has reinstated the goal setting on all A/E contracts, including **On-Call contracts**, utilizing Federal Highway Administration (FHWA) funds. DBE goals will be assessed on a contract-by-contract basis by CRO.

If you have any questions regarding this bulletin, contact the Engineering Consultants Section at (602) 712-7525.
