INFORMATION BULLETIN 99-10

(POLICY RESCINDED 1/20/00)

TO: Consultants

FROM: Engineering Consultants Section *Cothy Heged*

SUBJECT: Distribution of Project Information

Project managers and consultants have asked "when can project information (DCR's, PA's, Design Plans, etc.) be released to consultants for projects that are projected for advertisement through Engineering Consultants Section".

Our legal counsel has advised us that no reports, electronic files, etc. can be released until after the advertisement. Once advertised, the project manager and/or Engineering Consultants Section will inform the consultant(s) where information can be obtained and if costs are involved.

If you have questions regarding this bulletin, please call Engineering Consultants Section at (602) 712-7525.
