

MULTIPLE RECORD LOCATIONS

96-0376 R05/25 azdot.gov

As part of your agreement with MVD, your organization may conduct authorized activities only at those locations that have been registered with MVD. Any disapproval of a location will be accompanied by a stated reason by MVD, but shall otherwise be final and not open for review. (See section entitled "Location of Activities" of the Database Access Agreement.)

Note: The Business Contact will be responsible for the security and records retention for all locations.
