Supporting Documents Available

Explain fully all details of how you acquired this vehicle and why you do not have proper documentation.

Explanation

The applicant must, within 30 days after settlement of the total loss, submit all of the following:

- Insurance Settlement Certificate
- Application for certificate of title
- Evidence that two or more written attempts have been made to obtain the required documentation
- All appropriate fees

I certify that the vehicle indicated above is physically located in Arizona and that the insurance company that I represent paid a Total Loss Settlement to the owner, after the owner provided written or oral acceptance of the settlement (which followed all applicable laws and regulations).

I release, discharge, and agree to hold harmless, the State of Arizona, its agencies, employees and agents from any and all liability to anyone whomsoever, which may arise by reason of relying on the contents of this certification.
