Dear Mr. Hoffman:

Enclosed is a copy of Amendment #1.2 to the FY 2016-2020 TIP. This is an administrative amendment that will shift funding between phases on a single RTA project. Total project cost does not increase.

I have reviewed the amendment and I concur that it meets with established policies for an administrative amendment on behalf of the Pima Association of Governments.

Copies have been emailed to the ADOT Phoenix staff shown on the distribution list below. Please feel free to make additional copies for any other ADOT staff that may have a need to know.

Thank you for your assistance.

Sincerely,

Farhad Moghimi
Executive Director
