Installation Instructions for Roadway_V8i.zip (Roadway workspace for users in the Roadway Group)
(Note: Microstation V8i needs to be installed and functioning)

1)   Download ADOT_V8i.zip first open and copy ADOT_V8i to C:\ (or other drive letter) from
        http://www.azdot.gov/business/engineering-and-construction/CADD

2)   Download roadway_v8i.zip open and copy ADOT_V8i to C:\ (or other drive letter)
        Merge with the current folder

3)   Under the ADOT_V8i\Roadway\ folder, create a "Users" sub-folder
        (ex. C:\ADOT_V8i\Roadway\U*sers*\)

4)   Create a username sub-folder under the Users folder you created in step 3.
        Use your User name login (ex. C:\ADOT_V8i\Roadway\Users*a1428*\)

5)   Copy the roadway.ucf file from the C:\ADOT_V8i\Roadway\Dev_V8i\config\ folder and paste in
        the C:\ProgramData\Bentley\MicroStation V8i (SELECTseries)\WorkSpace\Users\ folder.

6)   Open the roadway.ucf file you copied in step 5, and make sure the path for ADOT_ROOT= is set
        to the appropriate drive letter (i.e. ADOT_ROOT=C:\ADOT_V8i/ or other drive letter)

7)   Download help.zip open and copy ADOT_V8i to C:\ (or other drive letter)
        Merge with the current folders and Copy and Replace files

8)   Start MicroStation.
        Select roadway under User: (right side near the bottom of the Open file dialog box).
