**RE: REVISED STANDARD DRAWING C-07.06**

Construction Standard Drawing C-07.06 - Trench Backfill and Pavement Replacement has been revised and replaced in the Construction Standard Drawings set located on the Roadway Engineering webpage at <https://azdot.gov/business/engineering-and-construction/roadway-engineering/roadway-design/construction-standard> . A revised 1A index sheet is also available on-line and should be included in all projects initiated after September 1, 2021.

Any comments and suggestions you have will be welcome for future updates to this drawing. Contact Chris Cooper, Roadway Standards Engineer at 602-712-8365 if you have any questions or comments.

Please distribute to all ADOT and consultant design and construction personnel in your Group, Section, or District.
