ARIZONA DEPARTMENT OF TRANSPORTATION

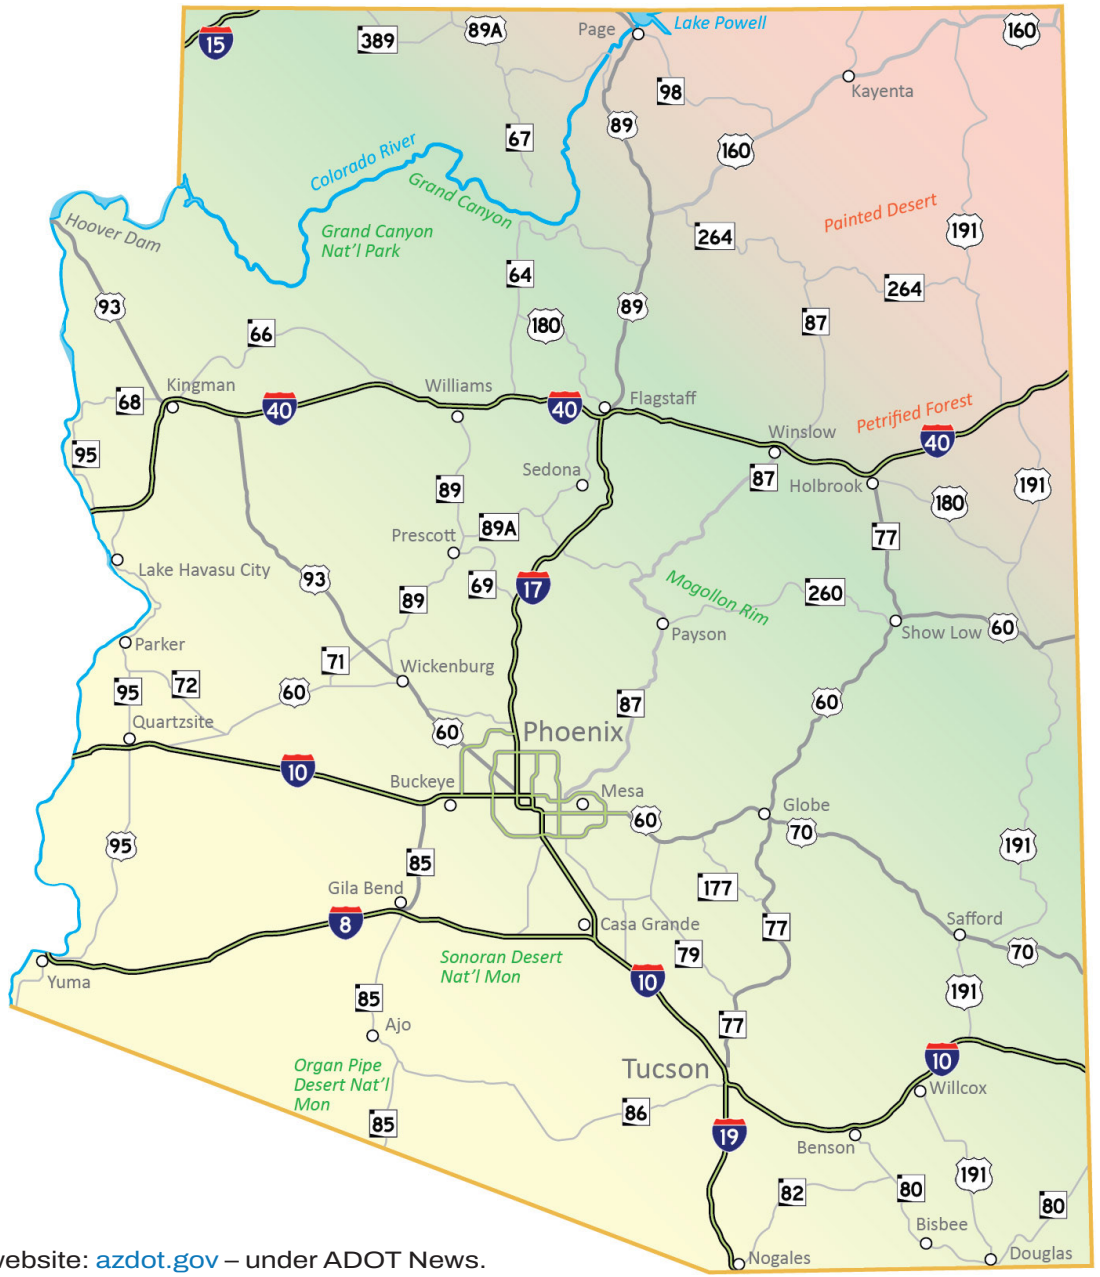
NO FULL STATE HIGHWAY CONSTRUCTION CLOSURES OVER INDEPENDENCE DAY WEEKEND

Thursday afternoon, July 2 to Monday morning, July 6

Please Drive Safely

- Pack extra supplies (drinking water) and a first-aid kit.
- Expect the unexpected, including unscheduled closures.
- Check your vehicle, including tire pressure and engine fluids.
- Get rest before traveling. Fatigue is a serious risk.
- Buckle up and obey speed limits.
- Never drive while impaired. Arrange for a designated driver.
- Secure trailer chains to keep them from dragging on the pavement. Dragging chains can create sparks and ignite a brush fire.
- Avoid stopping in areas with taller grasses or brush. Hot vehicle parts could spark a fire.
- Allow extra time and be prepared to slow down, merge safely and use caution in all work zones.

- Check on highway conditions by visiting ADOT's Traveler Information site at az511.gov or by calling 511.
- ADOT updates are also available on X (@ArizonaDOT).



Additional weekend freeway restriction information listed on ADOT's website: azdot.gov – under ADOT News.
